

Free Icon Pack by gvesster

Thanks for download this **Icon Pack**, even though it's free, it has **100 unique icons, 70+ additional icons and many many more content!**

Despite the fact that this icon pack is free, it has a few rules:

You can:

- Use the assets (icons) in commercial projects!
- Use the assets (icons) in non-commercial projects!
- Credit [@gvesster](https://twitter.com/gvesster) if you want!

You can't:

- Resell ANY assets (icons) from pack!
- Edit ANY assets (icons) AND resell from pack!
- Claim of ownership on any assets (icons) from pack!

And also please understand that all new updates will be released only if you support this so please recommend this pack to everyone you know!
